*A Path for Improving Public Safety, Environmental Stewardship,  
and Long-Term Economic Stability*

### Volume IV Attachments 8F through 8L

PUBLIC SAFETY

ENVIRONMENTAL STEWARDSHIP

ECONOMIC STABILITY

Cover Photo: Sacramento Weir (December 23, 1964), DWR Photo Lab

---

The Sacramento Weir and Bypass discharges excess flows from the Sacramento River (on the left) into the Yolo Bypass (not shown).

The 1964-65 water year was marked by one of the most disastrous floods in California's history.
